Dear Ms. Portner:

I have received your letter dated May 4, 2018 re MUR 7376.

I wish to file additional information as specified in your letter and will be working with counsel. I hereby request additional time to respond beyond the 15 days specified. I estimate that 30 days would be sufficient but some of the people mentioned may be traveling, which may require additional time. I will be completing the Statement of Designation of Counsel as soon as I have completed the engagement.

Yours truly,

*William L. Folchi*
